Dear Community Partners:

It's that time again... April is Financial Literacy Month. I am pleased to be partnering with the California Department of Business Oversight to host the 2015 Financial Literacy Month Resource Fair at the State Capitol in Sacramento. This public event is an opportunity to highlight the resources available to Californians regarding affordable financial services, free tax assistance, smart money management, and avoiding financial fraud and scams. The event also connects people with information about how to plan to save for emergencies, college, and retirement.

What: 2015 Financial Literacy Month Resource Fair
When: Thursday, April 23, from 11:00 a.m. to 2:00 p.m.
